# MATERIAL INFORMATION SHEET

*IMPORTANT:* Read this Material Information Sheet before handling or disposing of this product. This product safety information is provided to help our customers assess compliance with health, safety and/or environmental regulations. We have taken reasonable effort to ensure that the test methods and sources for this data are correct and reliable, however, we give no warranty, expressed or implied regarding its correctness. Since conditions or methods of handling and using this product are beyond our control, we do not assume responsibility and expressly disclaim liability for damages resulting from or connected with the handling, storage, use or disposal of the product.

Note: Under government regulations, an MSDS is not required for this material; it is an end use product.
